DENVER METRO / YOUTUBE

One new video across three shops

Rome Detailing posted an interior-and-exterior detail on November 16. It was the only new upload visible in the three public channel feeds during the latest seven-day window.

Channel activity

Channel	Nov 11-17 uploads	Nov 4-10 uploads
Rome Detailing Centennial Open channel feed	1	2
Evolution Customs Commerce City Open channel feed	0	0
Titanium Auto Works Arvada Open channel feed	0	0

Which post drew the most views?

At the November 18 check, Rome's November 7 exterior-wash video had 1,306 public views, the highest count among its 4 visible November uploads through November 17. Its newer November 16 detail had 1,176. The two videos had different amounts of time to accumulate views.

One test for next week

Film a simple wash and a full detail. Give each the same booking prompt. Record views at 48 hours and count inquiries that mention each video.

We counted public YouTube feed entries by UTC publication date. Counts cover these three channels. Views are a dated snapshot and can change.
